The Unstoppable You: The strength you need now to keep moving! Emmanuel N. Obu

You don't need to always explain your frustrations, challenges and pain. What you need is to understand how to confront them, and never give up.

When you give up, you may have cut short part of a glorious destiny. So to give up is not an option to ever consider, because you can pull through those challenges if you have the right understanding, motivation and inspiration to get back on track and win.

This book will equip you with understanding, knowledge and motivation to get back on track and in the battlefield to fight your way through to victory.

In this book:

- You will get fired up, encouraged to fight on and win.
- You will gain understanding that will help you stay on.
- You will draw strength for life's journey.
- You will make discoveries that will help your recovery.

Don't Give Up! To Give Up Is To Go Down.

Peg says

I won an e-copy of this book from the author on another site in exchange for an honest review. Thank you!

After reading this short book, I felt that I had just been given a wonderful pep-talk. It was so up-lifting and encouraging. Being a devout Christian, I already do or have done some of the things suggested. I loved the Biblical quotes which apply to the situation being discussed. Some of the stories were very interesting.

When I was a little girl in religion class, I remember being told more than once that when you have a problem, the answer is always in the Bible. I've always believed that and this inspirational book confirms it. Faith is truly a valuable gift. The author does a great job of getting that point across.

Birgitta Norberg says

In admiration of the author for writing a book that gives you encouragement and inspiration. However I found the book a bit short and would have like it to be a bit longer than the 80 odd pages. To me this book would be very suitable for a workshop to discuss each of the issues in a large group.

* Won in Goodreads giveaway *

Melissa says

I was given this book in exchange for an honest review.

I found this book to be a very uplifting, inspiring, scripture-based read. You know one of those books that when you are done you feel like you can take on the world. For being such a short book it makes a huge impact on the reader.

Kyrana Jones says

The Unstoppable You written by Emmanuel N. Obu is a work of encouragement through a Christian perspective. The author clearly strives to lift up the reader and offers the possibility of change within a situation by altering the way you think in order to change your perception of the circumstances. While the intentions were admirable, the writing was a bit disconnected. Each chapter appeared to be a separate journal entry rather than the connected flow that would build on the hopeful premise.

I received this free copy in exchange for my opinion and found this to be a great start to a useful message.
