## **Unbound** Jasinda Wilder

I showed up in backwater little Yazoo City Mississippi expecting to find solitude and a fresh start. I just left my wealthy, neglectful husband--with a couple million dollars belonging to him, I might add. When I got to Yazoo, though, I didn't find any solitude, that's for sure. I ended up in the arms of an oh so sexy young man named Tre McNabb. The problem? Tre is the preacher's son.

### Melyssa Winchester says

The one thing that easily makes Jasinda Wilder one of my favorite writers, is her ability to go there, touch on subjects other writers or even readers may find taboo and write about them. This serial/novella is proof of that.

Not only did she take a risk writing about intimacy with a “preacher’s son” but she also wrote a tale where there is a significant age difference and it was done surprisingly well. Okay wait, maybe not surprisingly considering who wrote it.

It’s short and sweet, a wham-bam-thank ya ma’am kind of book. The sex scene was written well and even I found it hot and usually with me, I gotta be feeling something with the characters to believe in a scene like that.

So bravo Jasinda, whether it’s novellas or full length novels, you’ve managed to pull me in again.

When I started reading this series the song Mrs Robinson by Lemonheads popped into my head and was stuck there the entire read. LOL

In a nutshell, a young and naive preachers son is seduced by an older woman.

All 3 books are short and get straight to the point, and so the progression of this story is very fast. Books 2 and 3 continue on where the last one left off and therefore you need to read them in order.

I didn't find myself swooning over the male character, Tre, but for me that was because he was young and naive when it came to women and sex. Shea came across as a total cougar and I was waiting for her to growl. :-D They were a likeable couple though.

As it's an erotic novella series there are some seriously steamy loves scenes that are for adults eyes only. I'm happy to report that there isn't an insta-love aspect in this story but more so an insta-lust. Their love grows over the progression of the 3 stories.

My only gripe is that I found it a little corny at the start, otherwise it isn't a bad read if you looking for a complete fantasy story or a good "quickie". ;-)

A fun fast read 3 stars!

Oh wow, kinda ick. I know the guy was around 20 but the way this chick describes him made it seem like he was younger and Shea just plain sounded like a pervy pedo :(

And the sex, i just could get into it. TRE is a virgin and its very obvious. The word cock and fuck surprises him. Which kinda made it hard to believe. Doesn't matter that you are a preachers kid, there is just too much info out there to taint you.

Anyhoo not my cup o tea.

I was saving this book from Jasinda for my 2015 book challenge - A book that takes place in your hometown. I like the idea of a virgin preachers son! The only thing I can complain about is it was too short! I have a hard time getting into characters so quickly. It was def hot!

This is a very short story about a woman who moves to the south after taking several million from her cheating husband. Once in the south she met a sexy young man and they have sex. End of story.

I realize this is one small part of a larger series and not everything will be revealed in this story. However, I was confused as to why it was important to note she took money from her estranged husband.

I was also disappointed in Tre. I grew up in small town south USA. I ran around with preacher's kids. NONE of them were that innocent! He knew NOTHING about sex. I find that VERY hard to buy into in this day and age that a 21 or 22 year old man would not have kissed or jacked off at some point in his life. I can buy being a virgin, but not the no kissing or no jerking off.

At times I felt like I was reading an instruction book on sex. She had to tell him everything to do, he wouldn't explore on his own.

I had such high hopes for this novella only to be disappointed.

Just like all her books very well written.

A very quick read, a cougar encounters the clueless preacher's son, who can't turn her down. Smut and fluff, cougar style.

3,5 Stars

I like guys who are inexperienced , I don't know why , I do...

and this guy was too sweet for his own good, I think that he was even more hot because of that, he seemed so lovable!

she noticed to, his parents probably won't...

I had been looking forward to reading this book. I've already started reading to other one! that review will probably up tomorrow!

She seduced & stole da pastor's son and virginity. She's so going to hell with gasoline panties on. Da little "harlot", as da pastor called her.

### **Pianisuparse says**

Short little first part of 'Preacher's Son' Trilogy.

Basically the whole 20+ pages is like one very long sex scene, and a hot one at that!

Well written and definitely steamy I'm just conflicted as to whether or not morally I accept Shea and her tempting the young and innocent Tre. I'm unsure though, will have to see how things pan out in the remaining parts.

Funny how we all have our lines and I thought mine were pretty out there but for some reason this isn't sitting completely right, we'll see though :)

He's Preacher's son, only 21 years old and a **Virgin**

One day at the church, a sexy "much" older woman

came to seduce him, I mean...really, she came, and saw him him, and "invite" him...for...well, you know.....

She took his virginity....It's not so common, but make sense since they're from small town, and he's a preacher's son.....

But this woman, she's STILL married., ran away from her cheating husband.....but still, NOT DIVORCED yet !

Then after one fling, they have relationship, suddenly it's not a fling any longer....
