Maximilian Lee says

I'm reading this for the second time. I think it was kind of good because the story was mostly looking for Serpron. On the other hand, the other part is the fun part, when Tom fights Serpron.

Maya Widiatmoko says

Well, yaah...untuk ukuran negeri yg punya Lima mahluk fantasy pelindung, Avantia terlalu biasa2 untuk ukuran rakyat-nya. Meskipun sihir Aduro kedengeran-nya keren tp bahkan Tom yg dia utus ngga dikasih bekal sihir apa2. Dan hadiah dr misi sebelum-nya kok kayanya agak terlambat, karena untuk misi selanjutnya udah beda lagi tantangan serta kesulitan-nya. Klo aja Tom punya tongkat ajaib atau dapat bantuan dr kaum mer, dia ngga bakal kesulitan menyelam jauh ke lautan untuk membebaskan Sepron! Aq juga penasaran kemana Si penyihir jahat Malvel ini ya? kok adem ayam aja "kerjaan"-nya dirusuhi dua bocah? Dan Avantia seperti-nya negeri yg cukup kecil karena Tom Cs bisa cepet sampe dari ujung ke ujung hehehe Nyinyir sekali daku neh?! Toh ya tetep dibaca juga...

Sepron the sea serpent is a very good book. My favourite part was the last chapter it was a good chapter.

Josh says

In this book Tom and Elenna go on there 2nd adventure. They have to travel to the ocean to free Sepron from a evil curse ,in the form of a gold lock, put on him by Malvel an evil sorcerer. If Tom and Elenna don't stop Sepron he will flood Avantia. This was a good book but an easy read for me.

Alex says

I do not like this book because I do not like sea serpents. I enjoyed this book because it was a little more exciting than the first Beast Quest book. I also enjoyed this book because I liked the part when Tom freed the sea serpent from the evil wizard's golden chain.

Paulo "paper books always" Carvalho says

This new adventure is a bit weaker than the previous one. If what I enjoy are anti-heroes and evil characters, in a childrens book I don't expect that. I expect good values of life, for a child. Then when he grows up it's expected that he learns that the world is a bit different. That there are different kinds of lies, that not all that shines is pure and good. And so on... So I didn't expect Elena to convince our main character to steal a boat. That was unexpected. This is a straightfoward tale about Adam, his friend Elena (Both around 9 or 10), her wolf (Silver) and his horse (Storm) as they travel from land to land to find a free the beasts imprisoned by an evil magician, which never appears, well so far.

It's not very imaginative even by children standards of tv series. An this book was a bit quick. There wasn't really a challenge and all seems to easy...

Nevertheless my opinion still stands. This will be a nice introduction to my future, to born, well to be conceived, children to fantasy. I can imagine telling a tale per night, or so to him/her.

Adam Cleaver says

The Beast Quest stories are a series of books that I am reading to my children at night. They are not particularly well written, or anything special. However, they are easy to read and contain short chapters well suited to reading before they go to sleep. Also, as there are a series of them it is nice to collect and always good to have a continued set of characters to follow.

A splashing good book this is!

Eloise Sunshine says

Teine osa sarjas jäi esimesele tublisti alla. Rohkem neid aga paraku hetkel eesti keelde tõlgitud polegi. Eks vaatab, kas kunagi hiljem edasi loeb. Mu 6-aastasele aga seiklus meeldis.

Katie says

The reason I didn't like this was due to the fact that I thought it was a total rip off of the Quest of Deltora. I mean, the first book was just a watered down version with different names!

Clare O'Beara says

Now Tom and his friend Elenna have to free the Sea Serpent called Sepron from a magical chain which makes him angry. The huge serpent has been scaring away fish from a fishing village, smashing boats, and as the young warriors approach the shore it even causes a tidal wave (otherwise known as a tsunami, but not in the kingdom of Avantia).

Can the two free the serpent without harming him - or being drowned?

I enjoyed this tale which shows how a sea beast needs to be free to roam. The pictures are just enough to illustrate the action. Suitable for young readers from six or so up to ten depending on reading level.

Sean Harding says

Another fast action adventure from team Blade, the second in the Beast Quest series sees more of the same but again it is entertaining and you know what you are going to get so you can enjoy the brief ride.
