## **The Weston Girls** Grace Thompson

Beautiful, rich, and popular: the Weston Girls seem to have it all... until they fall in love with the wrong men

The Weston family have always pinned their hopes for creating a dynasty on their glamorous granddaughters. But Joan and Megan – confident and eligible though they are – regularly set tongues wagging with their outrageous behaviour. Their grandmother Gladys decides she must organise a party to find them suitable husbands – and that's when everything really goes wrong.

Meanwhile, fortunes are shifting in Pendragon Island, and when it becomes clear that their sons-in-law Ryan and Islwyn are unable to save their failing family business, the Westons must swallow their pride and learn to rely on the socially ill-favoured Vivian Lewis. However, little do their grandparents know, the Weston girls intend to take things a bit further...

*The Weston Girls* – the second in Grace Thompson's acclaimed Pendragon Island series – is a charming saga which will transport you to the sunny shores of 1950s Wales.
