# Crossing the Goal Line

*Kim Findlay*

**Crossing the Goal Line** Kim Findlay

*Icebreaker or endgame?*

**Can two devoted athletes make room in their lives for love?**

Mike Reimer knows from experience that hockey and relationships don't mix. And hot-tempered swim coach Bridget O'Reilly couldn't be more wrong for the widowed pro goalie, aka the Iceman. As the playoffs approach, Mike's growing feelings for her could melt the hardest heart. But what if being with Bridget means letting down his team...and, worst of all, himself?

# From Reader Review Crossing the Goal Line for online ebook

## Jane Eyre says

Best Harlequin I have ever read! Great author! Hope to hear more from her.

---

## Victoria says

A sweet and heartwarming story. It captured my heart from the beginning to end. It has characters you will love. I loved the connection and chemistry between the characters. It's an entertaining read that's not you be missed. I voluntarily reviewed an advance copy of this book.

---

## Kim says

What a great read. I really like Mike and Bridget's story. Meeting at the swimming pool and then later becoming friends. I like how their relationship developed slowly and it wasn't all rushed like a lot of books do. I love the Hockey story line as well as Bridget's swim team story. I can't wait to read more of Kim Findlay's books.

---

## Harlequin Books says

"*Crossing the Goal Line* is a fast-paced romance with characters who are sweet, kind and determined to win the heart of the one they are wooing — despite any obstacles. Findlay's plot is believable with two popular sports as the backdrop: hockey and swimming. Findlay is a talented author who knows the winning combination for a great book" (4 stars @ RT Book Reviews).

Miniseries: A Hockey Romance

---

## Beth Carpenter says

My only complaint is the sleep I lost because I couldn't stop reading. Loved Mike and Bridget and all the secondary characters, especially Bridget's family. The story was full of funny moments as well as romance, and the ending ...ahhhhh. Highly recommended.

## Spunky N Sassy says

Spunky N Sassy Rating: 4.0

~~~~~Tracy's ??? Review~~~~~

When a man interrupts her swim class Bridget O'Reilly is so irritated. When she figures out that the man is none other than Mike Reimer the Toronto hotshot goalie. Bridget helps him out and then something happens where they neither want to be without each other. I like the progression of this story and how their romance is a slow burn. Great romance and I loved these characters.

~~~~~Lindsey's ??? Review~~~~~

I've never figured out why hockey is my favorite subject for a sports romance, but it is. I've read all kinds of different stories by different authors and none of them have disappointed me. Kim Findlay fits right in with those authors.

### **Jo-Ann Elizabeth Toth says**

First time I've read this author and I really enjoyed this story. I like the way the story was done for it introduces you to the world of hockey. I really liked Mike Reimer and Bridget O'Reilly. The way she brought out the loneliness Mike was feeling helped to show what hockey can be like. It was an awesome story for you also get introduced to world of professional swimming. It weaves a story of two different worlds coming together. Its well written and a great read. I love this story for it doesn't over power you with technical things to do with either sports and its a great love story.

---

### **Melissa says**

This is Book #1 in the Hockey Romance series. This is my first book by this author. Bridget is the perfect match for Mike. She loves hockey and so does Mike. This book warmed my heart. Each took forever to make a move.

I am looking forward to reading more from this author.

???

I give this book 4 out of 5 stars.
