Dungeon Daddy Jane Henry

His protection comes at a price: total submission.

Rae: Imprisoned in my tower, shut away from the world, I lived in the pages of my books--and my fantasies. Then he rescued me. Made me his.

He becomes the best Daddy I've ever known--caring yet stern.

Ryder: Kept captive her whole life, she's the perfect combination of beauty and innocence.

I bring her to Limits, the high-end, exclusive, members-only Club... my home.

Now she's under my roof and my protection.

I'll protect her, keep her safe...

All she has to do is obey.

I've always loved fairy tales and now I simply love the grown up version of them. This retelling of Rapunzel is spot on but with darker elements. Ryder is the perfect Prince who is trying to rescue Rae from an evil "father " who has kept her locked away from the world. Will he succeed? And who can they really trust? Friends aren't what they seem to be and it's going to take a lot to figure out who is on their side. Loved the interaction between Ryder and Rae. This is one hot story you don't want to miss.

This is an amazing tale of good versus evil,a modern day fairytale. This story has it all,mystery,danger,intrigue,romance,sex scenes that will light your fire and a awesome love story.The author has a ability to keep you captivated with her descriptive writing style.I was sad when I finished the book, I definitely wanted more.I liked how you are kept guessing right until the end,I never saw it coming.Ryder is the owner of a BDSM club called Limits.Stranded on a quiet,country road, Ryder goes in search of help.What he finds is a beautiful,young women in need of saving.Before he can help her,he is knocked unconscious by the same young women.Rae has lived a sad,isolated,miserable existence with a father with a very cruel streak.Rae's only way out is to reach out too Ryder but rescuing her is fraught with danger.Ryder best chance of keeping Rae safe is to hide her in the club.The slow and consensual introduction into BDSM kept me spellbound.The relationship between Ryder and Rae continues to grow with a few bumps along the way,at no time was it pushed or hurried. Rae's impulsive behavior earn her punishments that was hard to forget.This book will leave you breathless,tantalized with an overwhelming sense of passion. The uncertainty,never really knowing who was doing what or what their motives were, are just as important to the storyline as the growing romance between Rae and Ryder.Everyone should have a Daddy Dom like Ryder.

I could not put this book down. I read it from beginning to end in one sitting because once you dive into the story, you are hooked. The hints at the fairytale were fun to find, but this is not your typical fairytale romance.

Rae has known nothing more than her father and the house she lives in. The outside was too scary a place to be in, her father taught her. Rae reads books to escape. Ryder's car break down and he stumbles upon the house. He tries to save her as he hears her scream. Rae's father returns home and Ryder must leave without her. Rae decides she wants to see the world and escapes her father's house. But that also means she needs to always look over her shoulder. Rae turns to Ryder and the story unfolds. It has romance, hot sexy scenes and a lot of suspense. Any more description and I fear I will spoil the book.

This is a must read to all who love fairytales. Jane Henry once again delivers a fresh new look on an old tale. I cannot wait for her next book in this series.

♥~?~♥ 4.5 RAVISHINGLY SEXY RAPUNZEL STARS! ♥~?~♥

“It’s time I take you to the dungeon, babygirl.”

DUNGEON DADDY, Jane Henry’s latest captivating installment in her Adult Fairy Tale series, was scorching hot, suspenseful and deliciously decadent! **A TRIPLE DOSE** of yum!!!

THE STORY:

This tantalizing tale, which puts a uniquely naughty spin on the Rapunzel theme, had our damsel in distress, Rae, locked in a fortress and held prisoner by an evil loan shark who had kidnapped her from her homeless parents as a wee baby. She sees no escape in site from her dull, lifeless and **SEVERELY OPPRESSED** existence until a mysterious stranger’s car breaks down one night and he catches a glimpse of the long-haired enchantress from the window!

The powerfully handsome interloper, who goes by the name of Ryder, eventually winds up rescuing her and whisks her away to Limits, the exclusive BDSM club that he owns, and for her protection tells everyone she is his submissive. She is like a fish out of water at first when she first sets foot in this extravagant, private playground where upscale clients can explore their darkest fantasies. But before long Rae finds herself yearning to have **HER** most forbidden fantasies fulfilled by Daddy Ryder! After a few growing pains (*or shall I say stingy spanks!*), she takes beautifully as his new submissive, but soon the farce of being the “property” of the most powerful, most experienced Dungeon Master in Limits becomes all too real!

However, danger lurks around every corner. There is a traitor in the midst at Limits and the dastardly man who stole her is hell-bent on returning Rapunzel to her prison fortress. But Ryder is equally determined to do everything—and **ANYTHING**—in his power to protect his beautiful babygirl from harm!

MY THOUGHTS:

Jane Henry **ENTHRALLS** once again in this fast paced, highly addictive book! Its filthy hot and sinfully sexy, chock full of lust, excitement, **SCRUMPTIOUS** spankings, intrigue and edge of your seat danger, and the connection between the MCs warms the heart! As with all of this author’s erotic novels, I love the sparkling chemistry between the characters, and the steamy power exchange scenes set my panties **ON FIRE!**

Even though this is a Daddy Dom book, Rae is very much a woman--Ryder's woman--and if you are looking for a traditional age play read this is not it. However, there is mild BDSM blended into the suspenseful storyline, and if you are a fan of Jane Henry's Boston Doms series (co-written with Maisy Archer), you will absolutely love this book!

Ryder is deliciously Dom-like--rich and powerful, strong and commanding, and UBER possessive, with a strict, yet soft and nurturing touch. I tingled and throbbed whenever he was in his sexy-stern mode! And **WOWZA!** Rae is such a firecracker! Despite her sheltered upbringing, she is **NOT** your typical wide-eyed ingénue. On the contrary, she is quite the mouthy spitfire, which often lands her in hot water with her Master, yet also has a natural born desire to please and submit.

And boy does this kitten know how to purr! She is a not-so-closeted kinkster who relishes being punished over daddy's knee! And yikes... anyone who makes googly eyes at **HER** master better watch out because this kitten's claws sure come out when it comes to staking a claim on her man. I very much enjoyed her feisty temperament, her fearlessness in the face of danger, her chutzpah and how she pushed her boundaries to see how far she could push Ryder. Which, as it turns out, wasn't very far at all!

Ultimately, I was hooked from start to finish, and of course, every fairy tale needs a breathtaking HEA and this one had me sighing in starry-eyed bliss!

BOTTOM LINE:

While this is less sweet and whimsical and emotion-driven than Ms. Henry's other two Adult Fairy Tale books, DUNGEON DADDY is sure jam-packed with plenty of suspense, excitement and titillating hotness to leave me **SWOONING!!** I can't wait to see what this wonderfully versatile author comes up with next!

Danielle Harris says

Whoa! This is definitely one steamy thrilling revenge ride. This is the 1st book I've read from this author, and this will definitely not be my last.

This is a story about Ryder and Rea. The chemistry, the heat, will have you all fired up. I will not go into detail. I think readers need to go into this story blind.

I have received this arc for an honest review.

Leslie OBrien says

Jane Henry's "Dungeon Daddy" is an intriguing and scintillating read. As the book cover states, it's a "Rapunzel Adult Fairy Tale" but along the lines of what happens once Rapunzel has left the tower and this is anything but your average fairy tale. And well, Ryder is anything but Prince Charming, but let's be real, if you're a fan of Ms. Henry's stories or simply happened across this story, you aren't looking to read about Prince Charming.

Likes: The story moves at a steady pace and there weren't any lulls. Rae and Ryder's relationship develops quickly, progressing from would-be burglar to Mmmmm. Rae's development as his submissive hits all the

right bumps in the road. The suspense with the father wasn't too over the top and really showed off Rae's growth from locked in the tower to Daddy's girl. This is the part where I'll add both the sex and kink scenes were downright delicious.

If you're looking for something to help warm your toes, then you definitely want to pick up a copy of "Dungeon Daddy." Your toes will thank you.

Man, I am loving Jane's books. This is the second book I have read, and they are getting better and better!

This one brings a girl held almost hostage by a man that says he is her father. So when a man climbs her window because he thinks she is hurt, he just might be reason enough to leave that house.

Ryder having his car break down in the middle of nowhere is not something he needed. So when he finds Rae in a house in the middle of nowhere being kept there he offers her a way out. But will she take it?

This is a different take on Rapunzel with her beautiful hair and being stuck in her room. You just get a natty twist with the BDSM involved.

I do have to say if you have never read a BDSM book, try Jane's. She really walks you through the community. It is a different kind of read than some of the other books in the genre.

I voluntarily read an advance reader copy for my honest review.

Rapunzel, Rapunzel, come in to my lair (ok dungeon) and call me daddy! This final installment of Ms. Henry's remakes of the princess classics has everything you could want. Danger. Mystery. Intrigue. A sexy daddy dominant. A feisty newbie submissive. So much delicious sexiness. The call-me-daddy-hotness will have you squirming in your couch. I loved Ryder's total approach to his dominance and Rae's curiosity and jump-right-in approach. What an awesome 5-star story!!

B. Koe says

Erotic, suspenseful and the characters will melt your heart! A perfect MUST-READ Christmas gift for those who love romance!

I absolutely love anything written by Jane Henry. The novel is labeled dark because BDSM in some form or fashion is part of the plot, but Henry's writing is so smooth and easily read, I hardly even notice. (Except when I read a selection late in the day – let's be honest – those scenes are WAY HOT!) The characters are well-developed and human; kind of the guy/girl next door no matter what their actual (scene/setting/standing in society) circumstances. For this reader, once I start one of her books, I consume it! There is always some element of suspense, which she builds beautifully. In "Dungeon Daddy", Jane Henry had me sitting on

eggshells waiting for what was clearly going to happen . . . and it did happen, just not in the way I'd expected. The reader must pay attention. There are lots of little hints and clues, but most of them are not fully clear until the end of the story. This is not said to imply that "Dungeon Daddy" is a mystery – it is not – it is a romance, through and through. It is primarily the tale of Rae and Ryder: how they met, how they changed for each other, how their trust based relationship grew, how that love healed them and changed them even more. Henry's masterful writing will have you turning pages long after you meant to stop, just to find out what happens or like me, because you cannot let the characters go! If you have never read a novel written by Jane Henry, then it is time to start with "Dungeon Daddy"! While I read an ARC copy of "Dungeon Daddy" to prepare this honest, voluntary review, I still plan on purchasing a copy to place on my favorites shelf. Grab your copy and/or send one to a friend today! You will be truly glad you did. Happy pages! ?

In search for help, because the tire of his car has blown, Ryder reaches a house. He sees someone inside, but no one opens. It looks like as if the person inside is in danger, so he climbs up the wall and finds Rae who, even if she just stumbled, seems to be a prisoner in her own home. Before Ryder leaves he tells her to call him if she needs help. Some time later Rae calls him and Ryder comes and rescues her from her home. Ryder is the owner of a BDSM club and this is where he is taking Rae. He starts to ease her slowly into his lifestyle and it turns out that Rae is the submissive/little girl he always wanted. But there is also danger lurking in the shadows - Rae's father is searching for her and not everybody is trustworthy.

Dungeon Daddy is such a hot and intriguing story. Once I started reading, I wasn't able to put the book down until I finished it. The chemistry between Ryder and Rae was off the charts hot and so were all the explicit intimate scenes. They made me shiver - in a very good way. There is also danger, intrigue, false friends, suspense - you really don't want to miss this book.

Rose Howse says

How to put into words the summary of an outstanding story.

This is mainly about Rae and Ryder.

It starts off with Ryder driving but he blows a tire that he can't easily fix. There is no cell service and no one around the area, so he walks until he spots a residence. He spots movement upstairs even though he banged on the door and rang the bell, no one came to the door. The female form he sees suddenly falls back, as though she was grabbed from behind so he climbs the outside of the building to get to her. He finds Rae, a young woman who is isolated and kept pretty much a prisoner in her home. Rae was safe, she just tripped and stumbled. Ryder gets to know a bit about the young lady, she has been kept isolated all her life, living there with just her father and occasional help.

Ryder finally finds a working phone and calls for a ride, but before he leaves he gives Rae his phone number with instructions to call him if she ever needs anything. When Rae's father comes home, he already knows that someone was there because he has cameras watching everything. Rae finds herself locked in her room and she

calls Ryder for help. Ryder takes her to Limit, the BDSM club he owns and keeps Rae safe there. There is an attraction between Ryder and Rae but she is innocent of the outside world and BDSM, except for what she's read in her books.

Carefully, Ryder gives her a taste of what it is to submit and Rae likes it!

A daddy and little girl relationship starts while her father is most likely searching for her.

The club has everything Ryder could want to introduce Rae to submission and Rae seems to like each thing Ryder shows her.

In spite of the harmony the couple are discovering with each other, Rae's father is still looking for her.

In spite of changing Rae's appearance, complications happen and she seems to have been found.

There are people around that aren't who they seem to be and they don't know who to trust.

I think I have told enough of the story but you really should read this book, it was great and much more involved than I let on. The people that surround Ryder at the club are, for the most part, a good group of people to have around when you need them.

Rae's life and her father are nowhere near a happy family and that situation needs to be fixed. I was happy when I finally read the end and I am sure you will be too!

ARC Received for a Voluntary and Honest Review.

When Ryder???? has a flat tire in the middle of nowhere, he finds out his spare is flat too, and there isn't any cell service, either. He starts walking and comes up in a gated property in the woods.

No one answers the door but he sees lights on inside.

He sees he can get in and use a phone by climbing up into a balcony on the second floor. When he gets inside he's hit in the head.

Later he comes to, and is looking at Rae?, a gorgeous petite blonde with long long hair. Rae? is a homebound woman, she lives in the secluded house all alone with Martel?, her "father". Her circumstances are that she was taken as a child to repay a debt her real father got into with the wrong people.

Ryder???? is the first person she's seen in years besides her "father".

When her "father" gets home from The trip he was on, he knows everything. The house is under total surveillance.

Rae? calls Ryder???? and he is coming to rescue her!

Ryder???? is an Alpha Dominant and he owns a club called Limits for the Rich BDSM trade. Rae? has escaped her ultra possessive gangster "father" , only to become the submissive of Ryder????, her new Daddy!

YEHAW! Ride em Bareback?, Cowgirl!????

The book is well written, fast paced, and kept my interest, although the whole premise is kinda silly. Recommend for fans of bdsm novels.

LIKE A PHOENIX FROM ASHES

I have always loved fairy tales but will admit that as an adult, now I like ones that are full of spice. Ms. Jane Henry has spun an interesting twist to Rapunzel. Kidnapped from birth by a loan shark and kept in a secluded home, Rowena will finally meet her handsome Prince when he stumbles upon her home late one night.

Rae is twenty and lives in seclusion; she isn't even allowed outside. For many years, she had other people around, the maids, cook, housekeeper, and groundskeepers. But now that she is older, she rarely sees anyone except the cold man she calls Father. Reading and her imagination is her only avenue of freedom. She knows he is a bad man and that he is dangerous. She tries to block out sounds and pretends evil deeds aren't taking place.

Ryder, owner of Limits, the most exclusive BDSM club on the East coast will have a flat tire on a stretch of highway with no cell signal. Walking for what seems like miles, he will see the light in the distance and follow it to a house with a gated yard. Seeing a woman in an upstairs window, he knows someone is home. Hearing her yelp and then not seeing her, he fears she is in danger. Climbing to her window will come with consequences.

The story will have Rae and Ryder meeting, but he will leave, and she will stay. What happens when her father returns home and is enraged? The house has surveillance, and he is a dangerous man. Calling Ryder for help will take this tale to an element of danger and intrigue. Rescuing her and keeping her safe isn't as simple as he would hope. Ryder knows she has read BDSM books, and she wants to know more about the lifestyle, and he is just the man to help introduce her to it.

“There’s fire in your eyes. You’re a girl who knows what she wants and won’t back down for anything. I’d have thought someone who was treated the way you were would lose part of her self-worth, her confidence. But no. It’s made you stronger. Braver. Feister.”

“I’d walked out of a nightmare existence and straight into a fantasy. And I didn’t trust it. I didn’t believe it. It was too good to be true.”

Not everyone that you call a trusted friend will be and those who you doubt might surprise you in the end. Protecting Rae will not be an easy task but one that Ryder is determined to do, at all cost. Years of discipline and self-control have aided him in his personal life and business. No one has affected him so strongly as Rae has, and he won’t let her down.

There is a great chemistry between Ryder and Rae. While she is feisty and independent, she also craves the dominance and control that he expects. She acquiesces to his wishes because she desires so much more than she has ever experienced. She will call him Daddy submissively. The story has a great cast of characters, several BDSM scenes, spankings, and explicit sex scenes. The language includes age-play talk, of Daddy/little girl or baby, but not an age-play lifestyle. As with a fairy tale, this one has the coveted happily ever after ending.

Dee says

Intrigue, Mystery and Suspense!

So much more than a simple adult rendering of a classic fairy tale, “Dungeon Daddy” also offers-up elements of intrigue, mystery and a plethora of suspense. Based upon the classic story of Rapunzel, “Dungeon Daddy” is ultimately a love story with a kinky twist. Professionally written, fast paced and intense, the story-line features captivating characterizations, explicit sexual encounters and a very satisfying ending. “Dungeon Daddy” highlights aspects of a DD/lg dynamic including; BDSM, TPE and domestic discipline. Totally captivating, “Dungeon Daddy” is certain to please most readers, from the simply curious to the more “lifestyle” adept.

Badh says

This is not one of those fairy tales that you should read to your child. In fact, you should only read this after any children have gone to sleep because this story may cause spontaneous combustion of your knickers.

Rae has been locked up in her father's tower for her whole life. She's never gotten to do anything, know anyone, or even leave the house. But all that changes when Ryder comes scaling the walls and clambering in through her window.

Ryder's car broke down in the middle of nowhere and he tries to find out where he can go to get help. When he sees some lights out in the distance, he decides to go check out that house. When he sees a young woman get pulled away from the window and scream, he knows that he has to save her. That's when he climbs the wall and into the window so that he can help her. He sneaks out in the middle of the night, after calling a ride. But before he leaves, Ryder leaves his number where Rae can see it to call if she needs help. When she does call for help, he moves heaven and earth to get her the help that she needs.

I'm not kidding when I say that this story is hot. I would be more than happy to sit on Ryder's lap and call him Daddy any time he wanted me to. Especially with the way that he takes care of his little girl. I love that he lets her feel safe enough to want to explore her desires and he's willing to help her with that. Everyone should have someone who loves them like that. The chemistry between the two of them is seriously hot. My only problem with Dungeon Daddy is that it's too short! I wanted so much more!
