when i saw that there was an 8th book, i was so excited! Another Hilda book. Paul is now on my list as my favorite writer, and believe me my list is short! Can't wait to read it..if it is like all his other ones im sure im going to LOVE it. The Hilda series is a GREAT read!!

Marilyn says

This was a good one. And it really shows how Hilda and William have evolved in their odd relationship, Hilda a witch and William a normal turned wizard. But it also gave them a back seat to another character from the previous book. Interesting.

Lou Anne (Lannie) says
