## **How to Marry a Cowboy / Reckless in Texas** Carolyn Brown , Kari Lynn Dell

Includes an excerpt from Tangled in Texas, the highly anticipated second book in Kari Lynn Dell's Texas Rodeo series.

**How to Marry a Cowboy:** All Lily and Gabby want for their eighth birthday is a mom. Mason Harper had always side stepped the issue, but what was he supposed to say the day he found a woman wearing a tattered bridal gown and just waking up on his front porch swing? He offers Annie Rose the job of watching his wild girls for a month while he finds a new nanny, and she takes it with intentions of laying low for a month to hide from her abusive ex-boyfriend. But in such close quarters, their growing attraction is impossible to deny...

**Reckless in Texas:** Outside the rodeo ring, Violet Jacobs a single mom and the lone voice pushing for her family's rodeo production company to modernize and gun for the big time circuits. When she takes a business matter into her own hands by hiring on hotshot rodeo bullfighter Joe Cassidy, she expected to start a ruckus inside the family...but never expected her heart to end up on the line.

In Carolyn Brown's story, you have a set of twin girls that are sure that they have found their new mommy, on their front porch in a wedding dress. You will fall in love with the twins, and their daddy isn't to bad either. What is a man to do when his girls believe he has gotten them what they want. Now will the girl go along with it.

Then you have a new author for me in Kari Lynn Dell, I had been told she was an awesome author, and I wasn't disappointed. Rodeos are fun and exciting, but if not for the stock Contractors, there wouldn't be a rodeo. This book, gave me a lesson on what happens behind the scenes of a rodeo. Once I started reading this book, I kept going until I was at the end, and left wanting more. And I will be reading more of this author.

#### **Cowboy times Two!!!**

2 books in one!

First...Carolyn Brown's book. I have loved every single book by her. Every time I see a new book by Carolyn, I make sure to grab that book. If you like cowboys you will not go wrong reading her books. Reckless in Texas by Kari Lynn Dell...first of her books I have read. Absolutely fell head over heels for Joe. I could relate to Violet's situation, a single mom, a female pick up person for bronc riders. Wyatt, Joe's partner pulled a switch of bullfighter's. At first it was obvious she wasn't going to give Joe much of a chance. Violet just didn't feel she could trust Joe or any man after having her love life appear in public & embarrassing the family business. Joe didn't see himself as being a man to stick around for a woman or deserving of a family. He always felt like an outsider. Asking Violet's parents permission to take her on a date was so cute!! This book has humor, a 5 yr old con man, & romance.

## **Sweet and Hawt**

A wonderful pair of Western romances by two extremely talented authors. Both are hard to put down. Carolyn Brown's tale of twin girls that desperately want a mommy and the young woman who needs them just as much. You are drawn into the story eagerly turning the pages until.....damn it.....the last page. Reckless in Texas is the tale of a hard working ranch/rodeo mother of a young boy, trying hard to curb a reckless streak and help the family business prosper. Add a sexy bullfighter with insecurity issues.....

## **Chris says**

How To Marry a Cowboy was predictable and the kids dialogue was not realistic.  
I really enjoyed Reckless in Texas.

## **Bernie says**

How to Marry a Cowboy is a very funny and cute book written by author Carolyn Brown. Reckless in Texas is the first book in the Texas Rodeo series written by author Kari Lynn Dell. Both are excellent books.

### **A great look into the world of rodeo.**

2 great storeys set in rodeoing. Both books have great characters and storylines. Some interesting backup characters. They give you a look into the lives of people who give us the thrills and spills of rodeo while giving us the love storeys we all crave and read. I would recommend these books to anyone who loves a good western story.

**Great story! Any ranch born can relate to this story.**

Most people do not have a clue as to the work ethic and love of the land and animals that true hard living /loving ranch families have. This was a great read in that respect.

**Theresa Newsome says**

**Worth the read**

Hot cowboys and the women who love them. What could be better? It takes a strong woman to love a stubborn cowboy. That's what author delivers.

---

**Cynthia says**

**Enjoyable**

Both books were made you want the couples to have happy endings. It was interesting how each had kids that played just loved parts in both.

---

**Colleen Getz says**

Awesome read!! I love books written around the rodeo, no disappointments here!!

---

**June Rodgers says**

**5 stars for both books**

I've read and loved books by Carolyn Brown for years. I had never read a book by Kari Lynn Dell, but after reading Reckless in Texas I will definitely read more of her books I your it

**Jacqueline Driggers says**

This is a really good set, and both books are very good. Me personally, I liked the first one best, because it has the most wonderful humor in it. It actually had me laughing, something a book rarely does. The second

book is also very good too, but more about 2 people lusting after each other for a lot of the book. The set is well worth your time to read though.
