## Let's Do It Again Niobia Bryant

Malcolm and Serena fell in love when they were school children and thought it would last forever. But a hasty marriage at 18 led to an even quicker divorce, and a lifelong friendship dissolved into bitterness. Years later, they are reunited by the stipulations of a will, and the legacy gives them a second chance at love.

## **From Reader Review Let's Do It Again for online ebook**

### **Tamara says**

This book was about reuniting with the love that "got away"

It was somewhat predictable and Serena was in constant pity-party mode! Malcolm's character was a little more redeemable and made it clear that he was not going to kiss up to Serena.

Although it was touch and go, it was a HEA for the St. James'

---

### **Donna45diva says**

I enjoyed reading this book so much so that I did it in three days. This is noteworthy as it is the first romance type novel I ever read and to add, she is African American.

---

### **Lena Neely says**

#### **Something worth fighting for**

I don't remember reading Malcolm and Serena's story the first time, but I'm glad got to read it this time. Unfortunately for them, they reunited at the death of a loved one. I'm so glad Mama James did what she had to do to get them together again. With friends like Monique, you never need an enemy.

---

### **Ghufran Almajidi says**

amazing!! i truly love the ending of this book! very beautiful romance.

---

### **Lorice DeBlanc-Brim says**

#### **Love it**

---

### **Tina McDonald says**

#### **Second Chances can happen...**

Living life gives you the opportunity to see things that only maturity brings.....with that being said....it was a pleasure to get to know Malcolm and Serena, and see how much they learned and matured into the

individuals that their love was destined to be....and I too, thank Mama James

---

### **Deborah C. Fidderman says**

#### **Let's Do It Again.**

Great, great book. I highly recommend that everyone who loves romance novels reads the story of Malcolm and Serena. A perfect second chance story.

---

### **Hazel Robinson says**

#### **Second Chance**

Story of Maxwell and Serena Saint James. Married at eighteen and divorced at twenty. Maxwell's grandmother had a plan to get them back together. When she passed away she had a stipulation in her will that they had to spend two months together in order to get their inheritance. Story of maturity.

---

### **Connie says**

(Nook Edition) Although I loved the chemistry between Malcolm and Serena, Serena really needed to make up her mind and stick to it. I loved Malcolm's grandmother and her wisdom of helping Malcolm and Serena avoid the mistakes she made in her own love-life. Time waits for no one so stop wasting it!

---

### **Lady Raven RAVE! says**

I like the storyline and the characters, Malcolm too cute, his dad cuter BUT her friend Monique along with Miracle TRIFLING but good read going right into my collection

---

### **Denise says**

#### **Booklover**

The story has a good story line true love conquer all the heart wants what it want and it seems there nothing you can do about it.

---

### **Shawnette says**

Yes, Let's Definitely Do It Again!

I thoroughly enjoyed the set-up of Mama Saint James. She played Malcolm and Serena like a fine tuned piano. I love the way Niobia took you back to their childhood, and teenage years and then brought you right back to their present relationship or lack of. The steamy intimacy, was definitely HOT, HOT, HOT, but of course Niobia is known for that. More importantly the emotions just leapt off the pages. Just a great book from start to finish. And talk about LOL, it was definitely funny. I loved some of the one-liners from both Malcolm and Serena. Keep 'em coming, Ms. Niobia!

---

### **Deanna Byrd says**

**I love the heroines of the story realized its never to late to tell someone you still love them. I enjoy how Malcolm and Serena proved that bestfriends can be lovers and still remain friends. s**

I gave this book 5 stars because the characters were exciting. As I reads one chapter I wanted to finish the whole book.

---

### **Pamelia Grady says**

#### **Growing Up and Working on your Problems.**

Good read on facing your problems and overcoming them - to getting to know the new and improved person you've become.

---

### **Emma says**

#### **Another Great Read**

Another great romance by Niobia. I didn't want the story to end. I loved Malcolm and Serena's fiery chemistry together.
