Living Language Dothraki: A Conversational Language Course Based on the Hit Original HBO Series Game of Thrones David J. Peterson

Fans of the hit HBO series *Game of Thrones* can now learn the Dothraki language. Written by David J. Peterson, who developed the language for the HBO series, *Living Language Dothraki* will arm you with enough vocabulary and grammar to have a complete conversation in Dothraki. **Me nem nesa!***

The course includes a 128-page language guide and a one-hour audio CD featuring over 200 words and phrases, grammar explanations, cultural notes, a dialogue, and exercises for reinforcement. Containing words never before heard on HBO's *Game of Thrones* or seen in George R.R. Martin's *A Song of Ice and Fire* series, this course is the ultimate Dothraki guide.

***Me nem nesa!** = *It is known!*

David has always been a great language person and god have I always been loving the way he explains things!

The explanation of grammar, stress, pronunciation and culture rules etc, in this little book - is so much more then I have ever gotten from any other learning languages books. The cd that comes with is amazing and I learned almost all the basic within just one week!

(and it's a really hard language at that too..)

Love this, Can't wait for more! This whole community is so great too, I truly can't express my joy for it all.
