I enjoyed this short story. I will admit that at first, I thought Mason was a douche canoe. But as the story progressed, I liked him more and more. I wanted Georgia to not forgive Mason so quickly. At the same time I wanted her to instantly forgive him. I loved Georgia's sass. "Have you found yourself Mr Prince charming yet?" "Yeah. Once upon a time, I thought I had found him, turns out he was just a fucking toad that broke my heart.

Overall, I liked Georgia and Mason as a couple. I liked that they got a second chance with one another. I was entertained throughout the story and satisfied with the ending.

I liked that Mason finally came to his senses and made it up with Dominic and Blair.

The epilogue/two year's later part of this book is super cute! I loved that the love between Mason and Georgia was stronger then ever.

Mr heartbreaker is a fast paced short story. This story is a second chance romance. It is easy to follow and a nice read.

Mandy Marant says

It's a great short read. Mason and Georgia were each other's young love growing up. Until Mason broke her heart, leaving her to join the military. Mason's life is falling apart, he having trouble dealing and accepting his baby sister is in a relationship/ marrying/having a baby with his best friend. Mason is feeling lonely in life and it has him thinking about Georgia and what they could have had if he didn't leave her behind. Georgia is still really hurt by Mason. But after a night of hot passion, she wants to give it another try, they are both still badly in love with each other. I felt Georgia should have made Mason work for it, she gave in to fast for me. Always make the man earn you especially when he broke your heart the first time and 5 years later wants a second chance. It felt like Georgia was a after thought to Mason, it sounded like he only thought of her because he was lonely and with his career over bored. I didn't dig that to much. Received an

ARC for an honest review.

This was a good short story that took about an hour to read. It is the follow-up story to Mr. Alpha, although it could be read as a standalone. Blair and Dominic make an appearance in this story but enough information is given that you won't be lost if you read this one first.

This story features Mason, Blair's older brother. Mason has a lot of making up to do for past mistakes. The first he starts with is his ex-girlfriend, Georgia. Next on his list is Blair and Dominic. Will they all be able to forgive him? Will he and Georgia get a second chance at love? You can find out if you pick this story up.

This is book 2 in the Mr. Series. Mason is home from the military to find out his best friend who was supposed to watch out for his little sister is actually dating her and she is pregnant.

He goes into his ex girlfriend's family's bar to drink and think. When she walks up to talk to him. The connection is still there, but she is still unhappy that he broke up with her when she went in the military. They separate and he continues to drink. When he goes outside she comes out to leave and has been drinking.

This is another second chance romance with a HEA. It is a quick read with lovable characters you will enjoy! My only complaint is that I wish it was longer because I enjoyed the characters.

A quick and steamy love story following Mason from book one, and his Peach, Georgia. It's been five years since Mason left Georgia, but now he's back and the first thing he does is seek her out at her daddy's bar. Mason and Georgia were best friends that turned into lovers as they grew up together, and when he left he broke her heart. Now that he's back, can Georgia put her past feelings aside and forgive Mason for leaving her all those years ago? Or will the pair be torn apart again before they even get a chance to try to be together?

"You're everything beautiful in this world, Peach."

Oh my sweet Mason. I love this man. A hot sweet ex-military man. Who's trying to claim his love back. Yup I really love him.

And for Georgia, I like this feisty girl, love how she's trying her best not to fall into Jason's charms.

As for the book. This one is a short, sweet, hot, second chance romance. A man who's determined to win her love back. Oh yeah I'm really enjoying this book.

If you're looking something short, hot and sweet. Try this book.

April Symes says

This is book 2 of the Mr series and this is Mason's book. He is the older brother of Blair from book 1. This is Mason's story and we find out why he is the way he is and we get a look at his past and the woman he left behind—his true love Georgia. They were best friends and then lovers until he left her and broke her heart. Now he is back 5 years later....when his life is falling apart. When he runs into Georgia , will they let their love get another chance or will they let the past and bitterness rule and push them completely apart? I really enjoyed this story—the passion and the angst; the steam and the witty banter. Ms. Beck knows how to write her characters where she gets you hooked and wanting to know how everything will turn out. I loved their complex love story and look forward to more in this series!

My Rating: 4.8 stars *****

Mr Heartbreaker is the second book in the Mr Series and is every bit as good as the first one.

This can be read as a standalone, but the two main characters from Mr Alpha are a small part of this book, so I do recommend you read the first book. If only because it is just as awesome as this one.

This is a quick read, but you do get a total story in this second chance at love book.

I liked how Mason was owning up to all his errors and going absolutely making amends.

Georgia tried to resist him, but her heart wouldn't let her.

Another great story and I cannot wait to read the next book in the series.

Great storyline with very likeable characters that pulled me right into the story from the very first page and the characters were so well defined that I felt like I was peeking through a window watching as Mason and Georgia's story unfolded!

Rachel Blomberg says

This book is Book 2 of the Mr. Series, and it's Mason story. We met Mason in book 1 being the brother of Blair and Dominic's best friend. Mason being hurt and upset due to Blair and Dominic hiding their love goes into a tailspin. What finally brings him out of this tailspin is getting back together with his ex-girlfriend Georgia. Follow Georgia and Mason's rekindling love as he tries to make everything right and perfect again. I love reading J. L. Beck's short stories. I can't wait for book 3 of the series to come out cuz I know it will be just as good.

Karina says

I voluntarily reviewed an ARC of this book. This is book two of the Mr series and focuses on Mason the older brother of Blair from book one and Georgia the woman Mason hurt five years ago when he broke things off. Mason has been shutting himself off from his family every since finding out that his sister and best friend, Dominic have fallen in love. Mason feels as if he was betrayed. He goes to a bar owned by Georgia's parents and sees her. Realizing he is still very much in love with her and that the reason he was upset with Blair and Dominic had more to do with the heartache he was feeling he decides he is going to start being the man Georgia deserves. He lets her know how he feels and that he is not letting her go again. Georgia is still angry with Mason but can't deny her feelings for him and the fact that she still loves him. This book was a quick sexy read with a great HEA.
