First, the disclaimer. "I was provided a free copy of this book. All opinions are my own." That done, PERILOUS HOMECOMING is an engaging, different sort of Love Inspired Suspense. I loved the fact that it didn't seem to follow the normal path. Yes, the heroine was constantly under attack, but she (Kelsey) was a museum historian/assessor and the hero, Sawyer is a business man/marine biologist.

Granted, Kelsey is a former police officer. There were some things wrong (law enforcement call every one by last name, not just the women) and she should've known not to destroy evidence, but yet she did, several times. Touching and crumpling notes from the killer and hiding them in a ball in your fist would pretty much obliterate any chance of getting finger prints. I did guess who the killer was but not why and that totally surprised me, a great twist at the end of the book.

This is my first book by Sarah Varland and I hope it won't be the last. I enjoyed getting to know Sawyer. Totally loved him. Kelsey was prickly and it took awhile, but I grew to like her too.

If you like romantic suspense, don't miss PERILOUS HOMECOMING.

I really enjoy Sarah's suspense stories don't you. She's one of my favorite authors. This is an excellent example of her work. This story is well written, action packed, and full of faith. You're going to love it. Former Treasure Point police officer Kelsey Jackson returns home to set up an insurance plan for the antiques in the new museum. She witnesses a murder and now the killer is out to destroy her. All of her investigative skills come back to the surface and she is determined to find this killer.

Sawyer Hamilton has had a crush on Kelsey since they were in high school. He always competed with her and had won the scholarship the Kelsey needed to go to college. He realizes that she resented the fact that he had taken the scholarship when his family was rich but his father refused to allow him to take what he wanted. Now it was time to leave his father's business and do what he has always wanted to do. He comes to do the publicity for his family with the new museum but now he must help Kelsey find the killer and protect her.

A journey of two souls with a lot of personal baggage that is trying to keep them apart plus a cold blooded killer trying to kill them. God has a plan for these two. God has a plan for you too. A plan for a hope and a future. Just surrender your heart to Him and watch Him turn your mess around.
