## The Cake Mix Doctor Returns!: With 160 All-New Recipes Anne Byrn

What could be better than a phenomenon? The return of a phenomenon. Ten years ago Anne Byrn's *The Cake Mix Doctor* began its extraordinary run as one of the most popular baking books of all time. Now Anne Byrn is back with the all-new *Cake Mix Doctor Returns!* From the beloved author who showed home bakers how adding a touch of sweet butter or a dusting of cocoa powder, a dollop of vanilla yogurt or flurry of grated lemon zest could transform the ordinary into the extraordinary. Here are 160 brand-new recipes—that's right, 160 amazing cake mix recipes—for luscious layer cakes, sheet cakes, brownies, bars, cookies, and more.

And the book is needed more than ever. Today 90 percent of home cooks use prepackaged mixes, while the economy is creating a perfect excuse to let them eat cake—cake equals happiness. And what cakes! 40 layer cakes, from Tiramisu Cake to The Best Red Velvet Cake, Strawberry Refrigerator Cake to Chocolate Swirled Cannoli Cake. 35 sheet cakes. 38 bundt and pound cakes. 16 cupcakes and muffins, plus the cult classic Whoopie Pie. And brownies, bars, and cookies, including Spice Drop Cookies, Angel Food Macaroons, and Chocolate Espresso Biscotti. There's even a wedding cake, a frequent request from the author's passionate online community.

The Cake Mix Doctor is back—just say ahhhhh!

## **Susan Ryan says**

If you didn't get enough recipes from her first book, you'll love this one. I have tried some of the recipes and they are great. Fantastic book to borrow or own.

---

## **Patti says**

This is a fantastic book! Loved her first one and love this one also.

---

## **Cymiki says**

more than just cakes - find cookie recipes, too, based on using cake mixes. i copied plenty of pages to try new and yummy-sounding desserts. also liked the various tips such as the ability to freeze bundt cakes. who knew?

---

## **M. E. says**

The Cake Mix Doctor Returns is a compendium of over 160 mouth-watering recipes that turn ordinary cake mixes into extraordinarily scrumptious desserts. Author Ann Byrn has appeared on dozens of television and radio shows such as "Good Morning America" and "All Things Considered" to share her delicacies; now she brings the straight scoop on everything from layer cakes to bundt and pound cakes to sheet cakes, cupcakes, brownies, bars, cookies and more. Many recipes include a space on the left of the page especially for inventive chefs to jot down notes! An absolute "must" for the cookbook collection of any cake lover, highly recommended.

## **Ginny says**

Oh My Goodness.....awesome! My first cake is in the oven right now....pg 7, the yellow cream cheese one with the ganache topping and toffee bits for a new Year's party tonight.

---

## **Laura says**

I didn't so much read this book as much as I glanced through the recipes and fantasized about a summer full of baking. During the school year, I sometimes don't have time to eat, much less bake. Still, a teacher can dream.

The recipes are not intimidating and the ingredient lists tend to be practical. The author allows for several different pan sizes so there's no need to buy more pans.

I enjoy these books. I may even glance at her website someday. This book is a keeper.

### **Rachel says**

I had heard of the Cake Doctor from a friend of mine, who swears by her cake recipes. So I decided to give her newer basic cookbook a try. I will say that she does know what she is doing as most of the recipes seem relatively simple and fun to make. I like that she doesn't just do layer cakes, but also poundcakes, bundt cakes, brownies, bars, cookies, cupcakes, and frosting. I've been looking for a cake to do at my son's birthday party and I think I may have found it in the Lemonade Chiffon Layer Cake with Raspberry Filling, though I am considering switching the filling to a blueberry one as the theme is Rubber Duckies (blue and yellow). Either way, I'm sure it will be delicious. It is a little annoying that the only color pictures are in an index in the front, instead of with the recipes themselves. I like that she includes lots of tips and tricks to help the reader. I've never made a layer cake, so any tips I can get are helpful. I am hoping to make Easy Coconut Refrigerator Cake for my grandfather as it is his favorite, but would also like to try the Kentucky Blackberry Jam Cake, Apple Butter Spice Cake, Caramel Tres Leches Cake, Music to my Mouth Brownies (with Symphony Chocolate Bars inside), and many more. 5 stars.

### **Sandie says**

I cannot wait to start baking some of the yummy delights in this book!

---

### **Marcia says**

I'm a fan of Anne Byrn--she performs magic by adding ingredients to mixes. (Starting with a mix always seems less intimidating to me, yet in some recipes you add quite a few other ingredients.) I made the hummingbird cake and it was easy and delicious. She even provides instructions to make your own wedding cake! I think the cupcake book is still my favorite, but this one has some new and unique ideas.

---

### **Sonia says**

I got this sealed and brand new for a dollar at a thrift store!!

---

### **Kerry says**

For the love of lemons! Easy instructions, simple ingredients and easy to make....so many lemon recipes. I will eat any lemon dessert!

---

**Sandra says**

This cookbook has several items I admire.....photos of every recipe, easy to read font, and short comments, stories or notes about each recipe.

---

**Reading Fool says**

This book and the earlier book, The Cake Mix Doctor, should be on every busy person's kitchen shelf (at least every person who has occasion to bake and doesn't have the time or skill). This is more of the same from the earlier publication - more recipes whose base is a cake mix. What is produced is a great treat to be shared, so these recipes are convenient for those who have to bake something for a picnic, potluck, school event, or child's birthday party. This is a keeper.
