# **From Reader Review The Divine Romance: Collected Talks and Essays on Realizing God in Daily Life for online ebook**

## **Vanessa says**

Insightful and full of genuine love and grace. This is one of the few books of teachings I have turned to and found comfort in during times of confusion or distress.

The writing is not obscure or vague in meaning at all; even a person who knows little about religion or esoteric subjects could open to a chapter, understand what is written, and put it to use in their life. :)

Highly recommended.

---

## **Adrienna says**

His love for God was unbelievable, we need to be more like this...however, I am not sure if he was Buddhist or Hindu religion though.

---

## **Rajendra Prasad says**

Good

---

## **Y\_M\_A says**

Wonderful subject matter, by a wonderful man!

---

## **Shailendra Modi says**

Excelled book on life skills and also God skills. Must read for humans.

---

## **Muktika says**

love it

---

## **Donna Quesada says**

This is part of an anthology of collected talks by the beloved Yogi, Paramahansa Yogananda, which includes, The Divine Romance, Man's Eternal Quest and Journey to Self-Realization. They are beyond

review. They are what I keep in my own nightstand and what I open during times of trouble. They are what I travel with and what I share with others when authentic spiritual guidance is sought.

---

These timeless teachings are practical, but wholly genuine. Dear Paramahansa Yogananda is forthright, but loving. He is eloquent but charming. His grace comes to life in the pages of all three of these treasures. The reader will get out of it what he came for; for any plight, the casual reader can blindly open up to any page and find solace, or encouragement to drop the self-sabotaging bad habits that keep us from the peace and joy we have a right to; the true seeker, whose genuine yearning of the heart will have brought him to these teachings, will find the way to Self-Realization. It is nothing short of a guide to the divine within.

---

### **Vicki says**

Toss up between this book and Man's Eternal Quest in terms of greatness. This, to me, is spirituality.

---

### **Tracy Murphy says**

A great collection of essays by the Yogananda.

---

### **Vishwanath says**

Life changing and ever inspiring.

---

### **Santiago De compostela says**

Life changing

---

### **Kristen says**

This book fills me with delight in so many ways. I can re-read it and find so many new things that i had thought i already read and it feels new every time. A magical wise book indeed.

---

### **Dr Manoj says**

Great book...tells you how to live your life
