## **Steve Laible says**

Eclectic Cooking.

A great value of interesting recipes.

Also available as an eBook!

Jack Madden put his heart and soul into his cookbook and hopes everyone will discover it, share it, and enjoy the delicious recipes with friends. This is a great cookbook for your collection. Not industry polished or boring.

You will find some hard to find delicious dishes here.

- This is a magnificently "spirited" and delicious cookbook for entertaining. Chalked full of "tweaked" okay, personalized recipes. A really great collection of recipes.

A must have for any collector, cook, baker, chef or candlestick maker.

Jack Madden (71) is such a fascinating guy with a rich history, experiences and love of his foods, recipes and friends. He is enjoying retirement and so delighted when he hears someone is using his cookbook. He lives on fumes (from his daily cooking recipes), and the love from foodies who enjoy his recipes. Thank you guys.
