3 Stars, Borrow it

Self Purchase, Comixology

This is another seriously confusing issue. Especially in the parts that deal only with the gods. Meanwhile, Laura comes home to her parents very upset and it's not clear why. I'm definitely not liking this story arc as much. I think, but am not completely positive, the person who was pulling the new gods to earth us finally done with the arrival of Cassandra whom appears to be at least somewhat interesting. If the story continues to be confusing and weird, I may cancel the subscription to it. But I still really like Laura and her interaction with the Gods so I'm not sure yet.

Description (Comixology):It's time for a private audience with Anake, she who has protected and judged the Pantheon for thousands of years. Yes, it's time for an interview... with an umpire. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Also: Baphomet being all goth and having a nice little mope.

New discoveries and even more new questions in this unbelievably rich story. This issue was my favorite of the last few and delivered on what I really love about this series, lots of intrigue and characters with very different complex relationships to what's happening. Also, I highly recommend the WicDiv playlist which I just started listening to, and going back through the issues with Kieron Gillen's author notes. All very high quality.

What the hell was I thinking about disliking any part of this issue? I was young. It's my only excuse.

3/26/15

For the first two-thirds of this issue, I honestly thought I was going to be giving this a 3 or 4 Star rating. A lot of information is in this issue, but it kind of makes for a more boring read. I was intrigued to get some information, but having just read Issue #8, I wanted *more* of that.

And then this Issue just goes **WOAH** for me, and I'm in love again. And I'm giving 5 Stars again. And I'm fangirling again.

I definitely think if you've been confused up until this point, Issue #9 really helps develop the story more

fully.

Also, I kinda thought (view spoiler), but I'm back to being completely unsure and loving the fact that I have no clue.

Another incredible issue to me, and I'm really looking forward to seeing where this story will go from here, especially to learn more about the gods we haven't seen much of yet, and of what darkness is to come.

Oh exciting things are going to be happening soon.

A great comic, really.

I feel like they've upped their game when it comes to art. Look at the tree's shadow on her face, it's lovely.

Also this :D

me too, girl!!!

Hector says

Caras vemos dioses no sabemos.

Alice says

"I'd rather none of you know... but you are you."

WHAT IS THAT SUPPOSED TO MEAN ANANKE? WHY WOULD YOU DO THAT? YOU'RE BASICALLY PLANTING THE ROOTS TO A GOD CIVIL WAR! WHY?

okok

im alright

ive got everything under control

not really

because that plot-twist was so unexpected!

and im devastated: it should have been laura, and the worst is she knows too, and she knows a lot more than she's telling us (pls let me in on your secrets)

can there be a 13th god? can we make an exception maybe? c'mon they have to do something about it!

man so much is going to happen in the next issue, i can feel it, and im so excited (and also scared because it's probably going to get dark and i'm scared for my sweethearts)
p.s. i really dont get ananke! wyd??

Sandra says

This issue is intense and super informative... I just don't know if I buy it :/

Ithil says

Este ha sido un poco de "siéntate aquí amigo que te voy a explicar..."
No me termina de convencer que paren todo para soltarte la información y luego resuman la acción.
Personalmente me gusta más cuando la información está hilada en la trama.
Tiene unas conversaciones y diálogos muy interesantes, muy buenos de hecho, pero en general le dejaría en un ha estado bien.

"Do you want to be smart or do you want to know things?"

Kumiko Mae LovingSunshine says

hate ananke. but would love to be as cool in old age

Melissa says

That was unexpectedly clever.

Nadia says

[(Pero no entiendo como están manejando lo del tiempo. El final del otro issue no continua directamente con este, y después cuando Laura llega a la casa parece que pasó un mes de la última vez que la vimos, y me quedé confundida?) (hide spoiler)]

Wickedgio says

Keeps getting better!

Matilda says

A lot of information in this one...Cannot wait for next months.

Michelle says

"Oh. My. God. Ahhhhhh" -Me while reading this issue

Nédu says

okay, i really didn't see that ending coming :O
